

We are looking for Aerobic Instructor(s) with a passion for fitness and a positive attitude. You will be responsible for providing a safe, comfortable, and motivating class for all participants at all fitness levels.

Job duties and responsibilities include but are not limited to:

- Signing in for class and documenting class attendance numbers.
- Effectively and efficiently communicating member needs to the Group Fitness Director.
- Establishing a safe environment for members during group fitness classes while also providing challenging workout routines for the members.
- Displaying a motivating and positive attitude throughout the group fitness class.
- Maintaining a professional attitude, image, and demeanor not only while teaching a group fitness class, but also when interacting with members, guests, and staff inside the Bailey's Powerhouse Gym facility.
- Maintaining highest level of professional ethics and compliance with all club rules, policies and regulations.

Requirements:

- A nationally recognized group exercise certification or 2 years group exercise experience.
- Current CPR certification through the American Red Cross, The American Heart Association or American Safety and Health Institute.
- Knowledge and understanding of group fitness principles.
- The nature of the position requires physical effort, such as setting up equipment, lifting, and continuous aerobic exercise.
